Tasks under the “Ohio State Tests 2017-2018” Administration

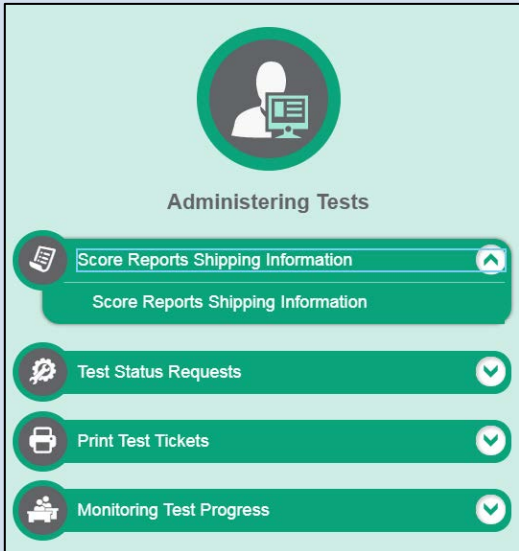

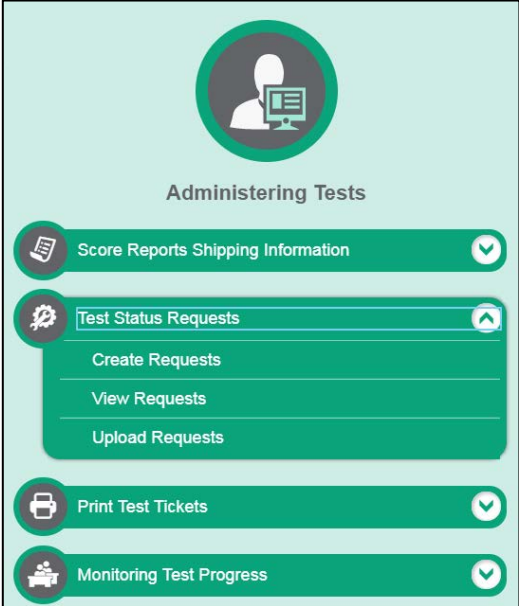

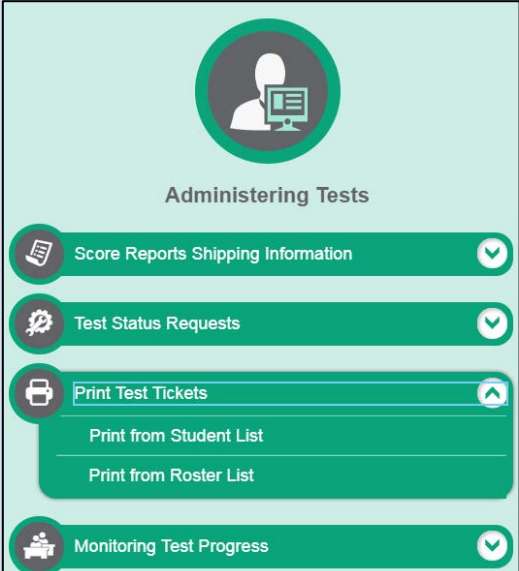

The Ohio State Tests 2017-2018 administration includes tasks that are common across all administrations.

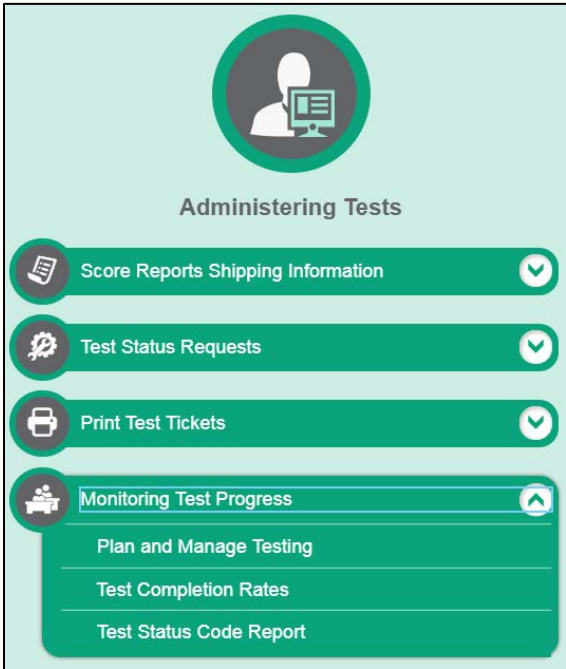

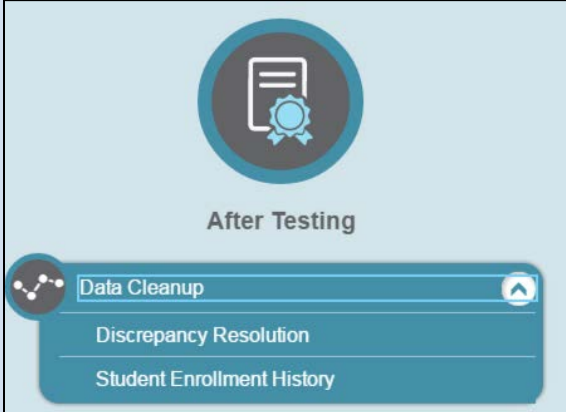

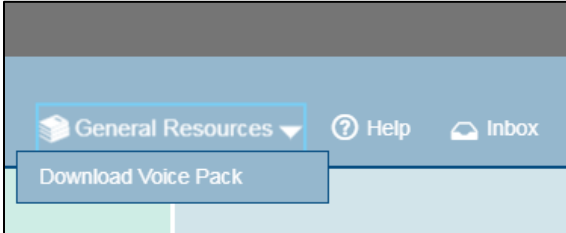

Tasks available under “Ohio State Tests 2017-2018” administration contain information and actions that affect all administrations during the school year. For example, districts will add all students taking any of Ohio’s State Tests, the Ohio English Language Proficiency (OELPA) or Alternate Assessment (AASCD) under the Student Information task. Similarly, district test coordinators will use the Users task to create, delete or edit users who are involved in any administration.
